

Your Wellbeing

My Health at Mercury is our voluntary wellbeing program that rewards and supports you and your loved ones in being the healthiest you can be. Your physical, emotional, and financial health are assets that directly contribute to Mercury's profitability. We want to help you start and end each day with energy, vitality, enthusiasm, creativity, and resilience.

The program starts October 29, 2020 and runs through October 17, 2021! All activities will be voluntary; however, in order to earn the incentive, your participation is required!

The program offers a variety of challenges and team activities to let you customize your wellbeing journey. You can:

- Register to receive individual sessions with a life coach, attend webinars, and take financial workshops;
- Get information on a range of health topics; and
- Learn new life skills to help you become stronger and more resilient.

Both you and your spouse can participate in *My Health at Mercury*. The more you do, the more points you earn, and that means more rewards for you and your family.

How to Join

To register for the program, go to **myhealthatmercury.limeade.com** and click "Get Started."

Go Mobile

Don't wait — download the Limeade app on your mobile device today! The app lets you:
