

Return to Work, School, Health, Life.

No matter what “normal” looks like for your organization and your people, we’re here to provide resources, guidance, and support - every step of the way.

Onsite Temperature Checks

Trained personnel perform temperature screenings upon entry into your facility.

COVID-19 Navigator

Expert resources for your entire employee population for COVID-19 related issues.

Return Pass Mobile Tool

Self-attestation solution built on CDC guidelines to help support returning to the office.

Advocacy and Navigation

Medical experts help members with a wide-range of clinical and administrative health issues.

Telemedicine

24/7 access to phone or online medical consultations offers a stay-at-home, safe, effective and money-saving alternative for care.

EAP+Work/Life

Licensed Counselors will help members who are struggling with stress, depression, and anxiety, and loss and grief. We'll provide coping tips and guide them to the right resources.

Onsite COVID-19 Testing, Biometrics and Flu Shots

We'll conduct health screenings at your workplace to make it easy for employees to learn about their health risks and how they can take action. We can also administer flu shots and COVID-19 related testing.
